- Machine Learning
- Data Science
- Web Development
- Electronics (Arduino)

PROGRAMMING LANGUAGES

- Python
- C/C++
- SQL

WORK EXPERIENCE

Quizzine

NOV 2019 - PRESENT

Currently, I serve as the Coordinator of Quizzine, the official Quizzing Club of VSSUT, Burla. My role as the coordinator includes planning the club activities and events, building up Quiz Strategies, future planning, team selection and budget management. The club aims at identifying students with quizzing talent and creating opportunities for them to sharpen their intellectual skills. We want to create a good and unique image of the club in the quizzing circuit and I strive to make this a reality.

BSNL

JUN 2020 - JUL 2020

This was a 15 days internship from Home. We are assigned tasks on the Basics of IP Networking.

Idea Innovation Cell

FEB 2019 - PRESENT

I am a dedicated member at VSS Space Innovation Centre and a core technical Member at Idea Innovation Cell, the official Innovation cell at VSSUT. I serve the team in coding domain mostly with making Websites and Programming Arduino. Our mega project- VSLV (VSSUT Satellite Launch Vehicle) is registered in the Limca book of records and India book of records making our team the first and only student body in India to indigenously build and successfully launch sounding rockets.

AWARDS AND RECOGNITION

- Top 100 in Sweden India Nobel Memorial Quiz.
- Regional Winner at TCS IT WIZ 2019
- National Qualifier of CBSE Science Exhibition
- Zonal Winner of Robotryst, IIT Delhi
- Winner of Cloud Computing Seminar at DAV Pokhariput.
