WORK EXPERIENCE

Head Coordinator
Quizzine
November 2019 - Present

Currently, I serve as the Coordinator of Quizzine, the official quiz club of VSSUT, Burla. My role as the coordinator includes planning all club activities and events, building up quiz strategies, future planning, team selection and budget management.

Intern
BSNL
June 2020 - July 2020

This was a remote internship of 15 days. We were assigned tasks on the Basics of IP Networking.

Core Technical Member
Idea Innovation Cell
November 2019 - Present

I am a dedicated member at VSS Space Innovation Centre and a technical core member at Idea Innovation Cell, the official Innovation Cell at VSSUT. I serve the team mostly in the coding domain by making websites and building electronic sub-systems for the model rocket using Arduino. Along with electronics, I am also a part of the Data Acquisition and Analysis Team.

Technical Member
Moto-OP
October 2018 - February 2020

During my time at Moto-OP, my team and I were responsible for building the website of the company as well as managing their databases.
